Description: Parents in our post-modern world tend to be committed to but anxious about their child-rearing responsibilities. Theyve tried the countless parenting books on the market, but many of these are strident, fear-based books that loving parents instinctively reject, while still searching for direction.Now Dr. Tim Kimmel, founder of Family Matters ministries,...

Review: Could be pretty good as a second edition. First the Pros, Dr. Kimmels parenting philosophy is good. By balancing giving children grace with clear moral standards, his philosophy is appropriate for raising children at all stages. The goal of this philosophy is not primarily the right behavior, but providing a safe space for children to develop into...
